### Parsonage Update from the Trustees:

The parsonage is updated, cleaned, and ready for David and Susan to move in. They came on the 20th to see it and were really pleased. We want to assure you that there was never any black mold in the parsonage. All mold remediated was within the limits of normal daily living. Asbestos was in the acoustical ceiling so that was all removed. Even though there are no requirements or regulations for asbestos removal in residential property, we had licensed follow-up TEM testing for air quality that showed no asbestos in the parsonage. Shane Boles did an excellent job putting it all back together. WinGS donated new interior and exterior doorknobs. The Edwards and Underwoods donated new cabinet knobs and front door knob. Ceiling fans and foyer lighting fixture were updated as well.

Welcome to the Fergesons!

Special thanks go to :

Gary Trammel for legal work done on behalf of the church.

WinGS for new parsonage doorknobs.

Edwards and Underwoods for new cabinet and front door knobs.

Shane Boles for doing a fantastic job in our parsonage.

Vance Sullivan for scraping the acoustical ceiling material in the parsonage garage and painting the garage.

The Wades for donating the new flooring in the parsonage-it looks wonderful!

Rick Pendleton for arranging to have all the furniture picked up that was left in the garage.

Steve and Linda Leveridge for donating two chair height toilets for the parsonage.
