**NOVEMBER, 2018**

Greetings in the name of Jesus Christ!

History tells us that **the first Thanksgiving** was celebrated in Charles City, Virginia in the year 1619. Those early immigrants to the New World likely would not have survived that first winter without the generosity of the Native Americans.

November is a month of **generosity and giving thanks for all God has provided**. At the church we participate in this tradition by preparing pies and turkey with all the trimmings for the **Turkey Dinner** for the community. I know we are all looking forward to the day of the feast and enjoying the days of fellowship as we prepare. So, sell all the tickets you can and eat all the turkey and dressing you can for this Thanksgiving warm-up meal.

This coming Sunday (Nov. 4) we celebrate **All Saints Day** during worship. That evening we will hear a **concert** by the duo **Crosby Lane** from Nashville, TN. We will serve **soup and chili** and take up a **love offering** for our musical guests. Bring your friends to enjoy this relaxing time in the Christian Life Center.

I want to thank everyone who helped with the **Fall Festival** on Halloween night. It was wonderful to see so many enjoying this time of fun.

Another celebration in the life of our church is that **the new playground** is to be installed Wednesday, November 7. This will be a huge benefit to Learning Tree and our Children's Ministry each week. I want to thank everyone who has contributed to this project and to those of you who are still considering a donation. Currently, we have **just over \$10,000 collected**. That is awesome! **Thank you!**

As the end of the year approaches, also **consider an extra Christmas donation to the church**. We have many great **ministries that positively impact** people's lives, including the **mobile food pantry**, **Café Love**, and **Learning Tree** as well as Sunday **worship and activities** on Wednesday nights. Do participate and share the joy of serving in these ministries and many others throughout the year.

**Our vision** – how we see ourselves fulfilling our mission of Making Disciples of Jesus Christ for the Transformation of the World -- is **“Welcoming, Sharing and Caring for Each Other and the Community.”** As we welcome, share and care during the ministry activities of this month, may we keep in mind that all that we do is enabling **God's presence and peace** to reign now and forever in our hearts and in the world. May we carry the generous tradition displayed at that very first Thanksgiving forward for many years to come.

Grace and Peace,  
Pastor Matt
