WOMEN'S BIBLE STUDY TO BEGIN ON SUNDAY, SEPTEMBER 20

“Life Lessons From Women in the Bible” by Rhonda Harrington Kelley, a teacher, author and speaker from New Orleans.

All women are invited to join in our fall Bible study at 5:00 p.m. every Sunday in the library for 7 weeks. The first week we will hand out books and just do an overview, so it shouldn't take an hour. The other 6 weeks we will meet from 5 to 6 p.m. We will be learning about 36 of the 187 named women in the Bible and finding out what lessons they can teach us that we can use in our daily life. Please e-mail me if you want to participate or sign up in the atrium by Sept. 6th, so I can order enough books. genahoffman17@gmail.com

TURKEY DINNER PREPARATIONS

It's time to start thinking about Turkey Dinner, so all you crafters and bakers, let's get busy and fill up our Country Store with some new and ingenious items that will entice people to purchase their Christmas presents with us. Plan now to bake some baked goods or freeze some casseroles to sell in our Bake Sale and be on the lookout for great items for our Silent Auction. Let's make this the best Turkey Dinner/Country Store/B Sale/Silent Auction yet!

(Pie Baking Days are set for Oct 7 and 14th, so mark your calendars now)

NEW TEACHER BENEVOLENCE FUND AVAILABLE

WinGS has set up a new Teacher Benevolence Fund through the church office to assist any teachers in our church who may be struggling a bit to make ends meet with the new fees at school or just through the year with the cost of supplies and other items that teachers always seem to be buying. Any teacher who just feels like they could sure use a little extra help, please call Elaine at the church office to access some funds.

Anyone in the church who feels led to help may make donations to this fund to assist the teachers who play such a large role in our children's lives and in our community.

“Have You Been to Breck Gardens”

I can't tell you how often someone comes up to me, while at Café Love, and tells me that they are grateful for the lunch they received. But then they often go on to ask if there is anything that they could do to help out. Now these folks may not have extra cash, but evidently they have a need to give back and contribute something as an expression of their gratitude. This is just one example of a deeper truth. People often need a way to give in order to express their gratitude. This is part of the way our Creator, God, made us. So when the opportunity came to join in our conference wide day of Youth Doing Missions, it seemed only natural to look for a project that the youth and the Café Love participants could join together.

Having a church garden ministry seems to accomplish both of these goals.

I am inviting you to come out on Sunday afternoon, Sept. 13th, and help us start a church garden. We need the boundless energy of our youth and we need your gardening expertise. We will be starting from scratch, so that means we will be digging and mixing and putting up fence to enclose the garden. It will be located between the Children's Chest and the Demson's residence. Mark your calendars and reserve some time to help us start our church garden. We will begin at 3:30 p.m. and we will eat hamburgers and hotdogs at 5:00 p.m. Look for the list to sign-up on our Breck Garden Team. We will need folks to maintain the garden once it is established.

Looking forward to gardening with you.

With dirty hands,
Pastor Cal
